

The Orion Connection

A God Centered Cosmic Presentation

“The Orion Connection” is a self-supporting ministry headed by Victor Martinez. The ministry is offering a superb Power-Point presentation which explores facts from astronomy, the bible, and the spirit of prophecy in search for the dwelling place of God and angels. It consists of astronomy pictures, MPEG animations, bible verses, and Spirit of Prophecy quotes. A second presentation, “Eternal Universe, Eternal Love”, explores the glory and vastness of the universe, space travel, intelligent beings on other planets, and God’s eternal love for mankind. These presentations are spiritually- uplifting, inspiring, informing, and personally challenging to faithfulness in daily living as we prepare the world for Jesus’ soon coming. Along with the presentation, a gospel concert by “Orion’s Door” brings heart warming bluegrass gospel, praise and contemporary Christian music. This is one of those Sabbath services when guests and friends should be especially invited to come! Pastor Ken Veal, North Aurora SDA Church, Illinois Conference (retired) - unkv@aol.com

Dark, heavy clouds came up, and clashed against each other. The atmosphere parted and rolled back, then we could look up through the open space in Orion, from whence came the voice of God. The Holy City will come down through that open space. - Review & Herald, August 1, 1849, par. 20, E.G. White
